

Year 2 Newsletter - Spring 2

March 2021

Settling in nicely!

It has been lovely to have all of the children back in school again, returning to a bit more normality! They have all settled back into routine beautifully with lots of fun and games and spending time socialising with their friends.

Diary Dates:

Friday 26th March -
Break up for Easter.

Monday 12th April
Back to School.

RHE

This term we are focusing our attention on re-establishing friendships, being kind and doing the right thing.

Book week

We were inspired by the book **Here We Are**. The children enjoyed making Paper Mache globes for our corridor display. It tied in well with our Geography - learning about the continents and the UK. We have been learning about towns and cities, starting with London.

Literacy Tree Book - The Dragon Machine.

The children have loved this book and are currently writing their own stories. One of the highlights at school last week was making Dragon-machines with junk modelling materials and then painting them. Some fantastic ideas!

Daily Mile!

We are attempting (weather permitting) to walk or run our Daily mile each day of laps around the playground.

Superhero Day for Comic relief.

It was great to see such brilliant superhero costumes and doing the daily mile superhero style was fun!

Maths Whizz - We have seen some really great progress with Maths Whizz so a big well done to your children. We have just completed our Whizz assessment in school which the children do independently and should 'reset' their level just in case it was getting too tricky for them. Please be aware that this can be the case if they are given help to answer all the questions correctly then the programme automatically generates harder questions. Obviously we encourage helping your child to learn at home but maybe let them choose their own answer first then 'teach' the correction for next time - We are all for learning from mistakes!!
Keep on Whizzing...

Questions or Queries?

Please feel free to ask at the end of the day or leave a message with the office. You can also send us an E-mail from the school website.
