Vision:

At Sheringham Community Primary School and Nursery, we believe that improving the quality of education for the most vulnerable groups of pupils raises standards across the whole school. SCPS&N is an inclusive school where we focus on the well-being and progress of every child and where all members of our community are of equal worth. We endeavour to provide positive experiences and offer stability, safety, and individual care and attention, for all our pupils.

The school receives additional funding in the form of Pupil Premium for children entitled to free school meals in the last 6 years, children in care and children of parents in the armed forces. From September 2014, pupils recently adopted from care under the Adoption and Children Act 2002 and children who have left care under a Special Guardianship or Residence Order are also eligible for additional funding. The amount of funding available, the school's aims in spending the funding, policy and procedures for ensuring these aims are met and reporting impact of spending are all provided in this Policy.

Pupil Premium Grant:

In the academic year 2021/22 the Pupil Premium Grant is available as follows:

Disadvantaged pupil	Pupil Premium per pupil

LAC and PLAC Pupils (See LAC & PLAC Policy for more information)

- The designated teacher will communicate with the VSH and agree on how pupil premium plus (PP+) can be used effectively to accommodate the child's educational attainment and progress.
- PP+ for previously-LAC will be allocated directly to, and managed by, the school. The school will work with the VSH to manage allocation of PP+ for the benefit of our cohort of LAC, or previously-LAC, and according to their needs.

- LAC premium and PLAC premium are not personal budgets for individual children; however, the VSH and the school may choose to allocate an amount of funding to an individual to support their needs if required.

Our Aims:

- Provide additional educational support to raise the achievement of our pupils in receipt of Pupil Premium.
- Narrow the gap between the educational achievement of these pupils and their peers
- Address underlying inequalities, as far as possible, between these pupils and others.
- Ensure that the Pupil Premium funds reach the pupils who need them most.
- Make a significant impact on the education and lives of these pupils.
- Work in partnership with parents and carers to collectively ensure their success.
- Enhance the wider experiences of children in receipt of Pupil Premium funding through access to trips, visitors and the opportunity to attend sporting clubs and sporting events.
- Ensure higher attaining pupils who are in receipt of Pupil Premium funding are given challenging learning experiences, matched to their need

As a school we recognise that not all pupils who are eligible for pupil premium may be under attaining, while some pupils may be under attaining and not eligible for pupil premium funding. It is school policy to plan, adapt and prepare for any individual, or group, where additional support may be required. Pupil Premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.

Our Strategies:

We will maximise the use of PPG by:

- Assigning a Pupil Premium Lead to champion the educational needs of Pupil Premium recipients and ensure the implementation of this policy.
- Ensuring Pupil Premium funds can be identified within the school's budget.
- The Head Teacher, in consultation with the Pupil Premium Lead, governors and staff, will decide how funds are spent.
- Assessing the individual provisions required for each pupil in receipt of Pupil Premium. Employing or providing additional hours for staff to run intervention sessions; employ Learning champions.

- All classes to complete termly provision grids identifying actions and outcomes for all PP children.
- Providing small group work with experienced staff to address specific knowledge gaps.
- Creating additional teaching and learning opportunities using recognised successful intervention programmes eg: RWInc Tutoring, PIXL therapies.
- Targeting English and maths with pupils below age expectations through the use of funded Learning Champions at EYFS, KS1 And KS2
- Allocating funds to enable these pupils to participate in extra-curricular activities.
- Targeting pupils who require additional help to make expected progress.
- The use of Nurture provision to support vulnerable children and their families.

Reporting:

- The School (SLT, PP lead, and teaching staff) will monitor, evaluate and review the success of the impact of Pupil Premium Funding in terms of improving educational outcomes and cost effectiveness, for example through Pupil Progress meetings and regular reviews of provision.
- The Head Teacher will report annually to the governing body on how effective Pupil Premium spending has been and what impact there has been.
- The impact of PPG spending, in terms of improving educational outcomes and cost effectiveness, will be monitored, evaluated and reviewed by the Head teacher and the governing board.
- Information regarding Pupil Premium spending will be published on the school's website.
- Parents of pupils in receipt of Pupil Premium will be kept informed of any intervention and via parent consultations and pupil progress reports.
- This information will drive the development of additional or alternative strategies and interventions to further improve the attainment of Pupil Premium pupils.
