Westlandia by Paul Fleischman

**Maths:** Multiplication and Division, Area and Fractions.

**Science:** States of Matter.

**RE:** What is the Bible?

**French:** Traditional Tales in French (Cendrillon)

**Computing:** Media and Photo Editing.

**Art:** Mosaics

**RSHE:** My Relationships

We hope everyone had a lovely Christmas. We are looking forward to a new half term.

**Google Classroom:** We will be setting work daily on Google Classroom in the event of your child not being at school. If your child is well enough please complete the work set. The children's logins are in their homework books. Please make a note of these at home in case their homework book is at school.

**Homework:** Homework will be sent home on a Friday. This will include one task, 30 minutes of Maths Whizz and reading. The main task can be completed in the homework book or on Google Classroom. This needs to be handed in on Wednesday or earlier.

**Reading:** It is extremely important to try to read regularly, so that the children can continue to build on their skills as a reader. Please encourage children to record any new words that they find whilst reading so that we can explore new vocabulary together.

**Merits:** In order for children to receive their weekly merit we expect them to complete their homework each week, read three times a week and complete 30 minutes of Maths Whizz.

**P.E.** P.E. lessons will be on Mondays and Thursdays. Please can the children arrive in school wearing their full kit on Thursdays and trainers on Monday.

**Snacks:** We encourage the children to have healthy snack at playtimes for example fruit, vegetables or cereal bars. This does not include chocolate or crisps.
