

Community, Aspiration, Resilience, Emotional well-being Skills and knowledge

A Parent's Guide

Google Classroom

Google Classroom

Google Classroom is now used more widely within our school, particularly in Upper Key Stage 2. The following slides provide guidance to parents as to how to support your child in accessing this platform.

Please remember that your child's teacher is available to help guide you through this process if needed.

Community, **A**spiration, **R**esilience, **E**mootional well-being **S**kills and knowledge

Google Classroom

Click on this image below for a video walkthrough on how to use Google Classroom
