## General News

We hope everyone had a lovely half term. It was lovely to meet and talk to you all during parent consultation week. The children have settled and worked really well in the first half term and we look forward to more of the same.

Swimming will continue for this half term in the same way it has done previously.
The first week back will be group 4, followed by groups 1,2,3.
Snacks: We encourage the children to have healthy snack at playtimes for example fruit, vegetables or cereal bars. This does not include chocolate or crisps.

Merits: In order for children to receive their weekly merit we expect them to:

- Read at least 3 times a week with an adult signing their reading record
- Complete 30 minutes of maths whizz and gain at least 3 progressions
- Complete their homework task will be given out on a Wednesday, to be handed back in the following Tuesday. This will be stuck in homework books and available on Google Classroom.
