RE: How do religious groups contribute to society and culture
in the local area and beyond.

French: Sports

Computing: Programming using Scratch

RSHE: My Rights and Responsibilities

We hope everyone had a lovely Easter. We are looking forward to a new term and some warmer weather.

Reading: It is extremely important to try to read regularly, so that the children can continue to build on their skills as a reader. Please encourage children to record any new words that they find whilst reading so that we can explore new vocabulary together. The children are enjoying their library time where they get a chance to explore new books.

Swimming: The children will have swimming lessons on Tuesdays – please can you make sure they arrive at school with their swimming kit, hat and towel.

P.E. We will no longer be doing PE on Mondays so please can the children come to school in their normal school shoes on Mondays. However, we would like the children who are not swimming (because they can swim over 25m) to come to school wearing trainers on Tuesdays so we can try and give them some extra PE sessions.

Be all that you can be...
