**Homework:** Homework will be sent home on a Friday. This will include one task, at least 30 minutes of Maths Whizz including 3 progressions and reading. The main task can be completed in the homework book or on Google Classroom. This needs to be handed in on Wednesday or earlier. We have been very impressed with the quality of work produced.

**Reading:** It is extremely important to try to read regularly, so that the children can continue to build on their skills as a reader and progress in all subjects. Please encourage children to record any new words that they find whilst reading so that we can explore new vocabulary together.

**Merits:** In order for children to receive their weekly merit we expect them to complete their homework each week, read three times a week and complete 30 minutes of Maths Whizz.

**P.E.** P.E. lessons will be on Tuesdays and Thursdays. Please can the children arrive in school wearing their full kit on Tuesdays and trainers on a Thursday. If the weather is warm please ensure your child has sunscreen and a hat.

We are looking forward to another successful half term. Should you have any queries please do not hesitate to contact us through the school office.  
Many thanks Year 5 team.

Be all that you can be...
