## SEND @ SCPS

SEND Support and Nurture go hand in hand at Sheringham Primary and we pride ourselves in providing a comprehensive package of support for our pupils. Whether this be a long term plan or a short piece of work with a child. We meet weekly as a team and discuss any children who have been flagged up to us by staff or parents, and decide what relevant support or therapy we can put in place.

There are 5 main areas of SEND need, Communication & Interaction, Social, Emotional and Mental Health, Cognition & Learning, Speech & Language and Sensory & Physical. Each of these needs will be supported in a different way and often children are in more than one of these categories.

***Dates for your diary:***

**SEND Information Fair:** Monday 4th November 2024

**'Supporting your child's behaviour' Norfolk Steps Approach:** Thursday 28th November 2024 and Thursday 5th December 2024.

If you would like to attend any of these sessions please email office@sheringhamprimary.norfolk.sch.uk or cwall2drz@nsix.org.uk

### SCHOOL & COMMUNITIES TEAM

We work closely with the School & Communities Team who help families of children with SEND. They are able to offer support out of school and in the home. If you would like to know more : https://www.schools.norfolk.gov.uk/article/57439/What-are-School--Community-Teams

Recently we had a Parent drop in session so that Parents can talk about support for their child out of school. If you would like to join us for the next sessions please email the addresses above!

### NORFOLK LOCAL OFFER

Here is the link for the Norfolk's Local offer for SEND Inclusion. You can also see what our school offers at the different levels of SEND support on our website https://www.sheringhamprimary.norfolk.sch.uk/
